

SHARING THE VISION YOUTH MINISTRY TRAINING

As we initiate the Office for Youth Ministry, we have begun to address the needs of youth ministry leaders and the young people they minister. Training and formation of youth ministry leaders are among the most important needs that currently exist. In response, the Office for Youth Ministry will begin to offer a variety of training workshops. Each workshop seeks to support the development of effective parish youth ministry in relation to a particular pastoral or organizational need. The first of these workshops are: (1) Overview of Youth Ministry and (2) Planning for Dynamic Youth Ministry.

The workshops are currently **FREE!** Please **RSVP by Monday July 25.**
